JAGESHWAR DAS Son of late Jhuni Das, resident of village Itahari, PS, Singheshwar District Madhepura

Versus

1. THE STATE OF BIHAR
2. Dinesh Das
3. Umesh Das
4. Ganesh Das

---

For the Petitioner: Mr. Durgesh Kumar, Adv.
For the State: Lala Kailash Bihari Prasad, Sr. Adv. & APP

2 21-10-2008 Heard.

This revision by the informant has been preferred against the judgement of acquittal recorded by the trial court. It appears that during trial the doctor was not examined. The post mortem report was also not brought on record. The informant himself is not an eye witness to the occurrence but during the trial he claimed to have seen the occurrence.

Learned court below by a well reasoned order has acquitted the accused persons. After hearing learned counsel for the petitioner and the State I do not find any perversity in the judgement. This revision therefore has no merit and it is, accordingly, dismissed.
